Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Friday 16 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine and dry Friday.

Today:
Another fine and dry day, after any early fog patches clear. Plenty of sunshine throughout, with some patchy fair-weather cloud developing into the afternoon. Feeling very warm in the sunshine. Maximum temperature 26 deg C (79 deg F).

Tonight:
Staying clear and dry across the region tonight. Winds will be remaining light too and it will be feeling warm for most. Minimum temperature 12 deg C (54 deg F).

Saturday:
Another fine and dry day with plenty of sunshine. Becoming a little breezier in the far north of the region during the afternoon. Feeling very warm in the sunshine. Maximum temperature 25 deg C (77 deg F).

Outlook for Sunday to Tuesday:
Fine and dry on Sunday, though cloudier across the north where it will feel a little cooler. Sunny spells on Monday and Tuesday with the risk of an odd shower.
